

Your Better Choice

**TM109033 TMB TP 43 180 Scrubbing machine (Made in Italy)**

**Key Features:**

Professional floor mounted single disc machines with belt drive. Available in the 180 rpm version for bottom washes, at 400 rpm for polishing or dry maintenance. The belt drive makes these machines very silent and allows their use even in environments where maximum discretion is required in cleaning operations, such as hospitals, nursing homes.
